Data Protection & Anonymity Declaration

The filled in questionnaires and the company specific Assessment Report will be treated in strict confidence. Results are shown in a compressed, statistically processed form, so that conclusions about individual persons cannot be made. Results will be shown only to the participating company. No ranking of benchmark companies in innovation management will be published. Logo and Name of participating company will be published by PFI. Participation can be anonymous on demand.

Terms & Conditions

With transition of this form to PFI I register bindingly for innovate! new. Employees of the company receive a personalized access link to the innovate! new questionnaire. The access link and the questionnaire or excerpts from it must not be disclosed under any circumstances within or outside the company.

Yes, I've read and accepted the Terms & Conditions.
